

## About Us:

Shine International Education (SIE), a government registered private limited educational organization in Nepal, was established with a mission of providing Test Preparation Programs and Overseas Academics Counseling for Nepalese students. Since its inception in 2006, SIE has been working as an authorized representative with more than 100 colleges & universities from the USA, Canada, Australia, New Zealand, UK, Ireland, Cyprus & Europe maintaining very good partnerships to meet the need of more than 24,000 students every year. SIE has already built a strong reputation as most trusted top educational organization by offering quality & reliable services with its deeply committed and dynamic working team.

Shine International Education has grown at an extraordinary rate through a network of Universities abroad. This ability has allowed the Shine International to quickly penetrate the market and create a convenient, unparalleled experience for students who wish to study abroad.

With its growing popularity, credibility and students need, Shine International Education has extended its branches in other major commercial cities of Nepal; Putalisadak and New Baneshwor at Kathmandu, Pokhara, Biratnagar, Chitwan & Birganj

## Our Strength:

A team of informed and committed senior education advisors/counselors who understand the need of the students and their parents or sponsors.

We firmly believe in customer service to the students and our client institutions.

Our strongly student centered approach to counseling means; we give students the fullest possible information on the all available options to help them make sensible decisions.

## Our Services includes:

Shine International Education helps students to make the right education decisions. Our expertise in the field of education has made us a time-tested resource in helping students to gain admission for suitable courses in recognized universities across the Globe.

Educational services, such as guidance and consultations, are offered on an individual basis to students. Services are provided through individual guidance,

correspondences, telephone consultations, and e-mail communications by our respective staff.

## Test Preparation:

Shine International Education is a renowned training institute that caters for both students and business individuals. Shine International trainings are intensive & tailored to your individual needs. Our trainers are professionals who make training lively with fun & ensure swift progress to achieve top scores in your test.

Here the students learn in a small group with a maximum of 15 per class, supported by modern technology & teaching methods.

## TOEFL®

The Test of English as a Foreign Language or TOEFL measures the ability of nonnative speakers of English to use and understand English as it is spoken, written, and heard in college and university settings. TOEFL scores are accepted by more than 6,000 colleges & universities in 110 countries. The TOEFL consists of 4 sections: Reading, Listening, Speaking & writing. It emphasizes integrated skills and helps confirm you are ready to communicate your ideas about what you will read and listen to in your academic courses.

## IELTS®

IELTS stands for 'International English Language Testing System'. It is a test of English language proficiency. It is jointly managed by University of Cambridge ESOL Examinations, the British Council and IDP Education Australia. IELTS tests the ability to listen, read, write and speak in English. IELTS is accepted by most Australian, British, Canadian, Irish, New Zealand, almost all European countries and South African academic institutions, by more than 1,800 academic institutions in the United States.

## SAT®

The SAT Reasoning Test is a standardized test for Undergraduate admissions in the United States & other countries in Europe. SAT measures critical thinking skills that are needed for academic success in college. SAT consists of three major sections: Critical Reading, Mathematics, and Writing.

## GRE®

The Graduate Record Examination or GRE is a standardized test that is an admissions requirement for many graduate schools principally in the United States, but also in other English speaking countries. The exam is primarily focused on testing abstract thinking skills in the areas of math, vocabulary, and analytical writing.

## GMAT®

The Graduate Management Admission Test or GMAT is a computer adaptive standardized test for measuring aptitude to succeed academically in graduate business studies. The exam measures basic verbal, mathematical and analytical writing skills that the examinee has developed over a long period of time in his/her education and work.

### Languages Training:

Language Training Involves English, Korean, German, Spanish, French, Italian, Japanese, Chinese & others. Students or working professionals going abroad will be benefited for better living with these languages. It will also help them for socializing & landing in Part time or full time jobs.
